- Standard business card size is 2" x 3 1/2".
- Each card is handmade from two pieces of veneer bonded together to make a card seventeen thousandths (.017") in thickness.
- We highly recommend our mixed species selection of a random 6 species per 100 cards at no additional cost.
- All cards have the wood specie name printed on the back unless requested otherwise.
- Turn around time: Items will usually ship within 7-10 days after proof approval. \*Depending on availability of wood specie requested.
- Rush Charge: \$25.00 for 1 week or less, after proof approval. *Not including shipping time. Expedite shipping available, quote made per order.*
- For Printed Cards - Send artwork (PDF, JPEG, TIFF, EPS, PhotoShop, Illustrator or InDesign) via e-mail or type/print description for us to set up.
- On artwork we set up for you, we will fax or e-mail a proof of the layout for your approval.
- "Coating" is a low gloss film overlay applied to both sides of the card. Coating may not work with some specific wood species.
- **Please note: Ring-porous woods such as Ash and Oaks do not print as well due to open grain.**

**No two cards are alike - Grain and Color will vary from card to card.**
